TESLA is hiring for fulltime Production/Assembly positions in Fremont

Monterey County Workforce Development Board to offer informational session in August

Wednesday, July 27, 2022 – Salinas, CA – Know a Monterey County jobseeker interested in working in auto production and assembly? TESLA has openings at their Fremont facility and is teaming up with the Monterey County Workforce Development Board to offer an informational session on August 19 at 12 noon. Online registration is required at [Tesla Information Session](#)

No experience is needed for these fulltime opportunities as Production Associates (Assembly) and Material Handlers (Forklift Drivers) and full benefits include medical, dental, vision, paid time off, stock options, backup childcare and more. TESLA is offering free shuttle service from Salinas to Fremont for these positions which pay \$21.00 hourly for day shift and \$23.00 hourly for night shift.

TESLA is designing and manufacturing a complete energy and transportation ecosystem that is fully integrated. TESLA drives the manufacturing of affordable products that work together to amplify their impact, leading to the greatest environmental benefit possible.

“We’re thrilled to partner with TESLA to make this informational session available to Monterey County jobseekers,” said Monterey County Workforce Development Board, Executive Director, Christopher Donnelly.

The Monterey County Workforce Development Board (WDB) integrates public and private partnerships to train and place individuals with the skills that employers need. Through our three America’s Job Centers of California offices; located in Salinas, Marina, and Seaside; job seekers connect to the services, community resources and referrals they need to prepare for middle-skill jobs in growing industry sectors such as Agriculture, Tourism and Hospitality, Health and Social Assistance, Logistics, Transportation and Construction.
