

# SUPPORTING SMALL BUSINESS

We are excited to announce a comprehensive suite of new business options designed to support and empower your organization. From creating a business recruitment video that showcases your business recruitment needs, to providing free HR Hotline support to help you navigate your pressing HR issues, to delivering employer webinars on relevant business topics, to offering meeting rooms to meet your specific needs, our goal is to help you succeed.

These services are designed to be flexible and adaptable, so you can choose the ones that will make the biggest impact on your business.

## **RECRUITMENT VIDEO**

A well-produced video can help your business stand out from the competition and make a lasting impression on potential candidates. The first video is free. Call 831.796.3341 | Click [here](#) to view video.

## **HR HOTLINE 888.217.6899**

By taking advantage of this no-cost service, you can ensure that your employees receive the support they need while minimizing HR-related costs for your business. Call 888.217.6899.

## **EMPLOYER WEBINARS**

Stay updated on the latest presentation topics, including Labor Law Updates, Hiring Practices, and Managing Different Workforce Generations throughout the year, in these helpful online seminars designed to meet your everyday business needs. Pre-registration required. Call 831.796.3341.

## **MEETING ROOMS AVAILABLE**

Our facility is available for use by our business community, Monday through Friday, from 8 am-5 pm. We offer several training rooms, private offices, and Zoom rooms for Monterey County employers at nominal or no charge. Call 831.796.3341.
