

What Employers Need Today

VIRTUAL TRAINING

Employers need help to overcome the challenges they face today.

California Workforce Development Boards hold the key to providing employers with support in recruiting and training their next employees. California Employers Association has worked closely with our members to provide them with resources to assist them in finding opportunities during this unprecedented time.

This training will explore the skills that employers need from their workforce today. Our discussions will include collaborative ways to ensure that employers are able to obtain employees that are ready to hire and resources that will help employers succeed.

This interactive session will cover:

- Strategies in business engagement that help struggling businesses
- Recruiting tips for remote workers
- Preparing employees for virtual recruiting and work
- Remote work policies and support
- What employers need from employees
- Collaborating with local workforce partners
