Friday, March 20, 2026 – Salinas, CA -- April is special as the vibrant heart of spring, featuring the vernal equinox, blooming nature, and warmer weather. It is a month of renewal, celebrated with holidays like Easter, Passover and Earth Day along with fun observances like April Fools' Day. Here at Monterey County Works, it's another month for our jobseekers to learn how to bloom where they are planted as well as growing their own skills to reach new goals.

Join us for any of our upcoming multiple employer job fairs and recruitments throughout the month. No need to register, we'll capture their contact information at the door. Jobseekers are encouraged to dress their best, bring their resumes, practice their elevator speeches and be ready to engage with our employers in person!
